Counter Rotation RH Deck Spindle Kit **NEW**

The Altoz TRX 766 i Counter Rotation RH Deck Spindle Kit enhances your 2025 All-Terrain deck by increasing efficiency and productivity.

- Increases cutting efficiency by processing material more effectively using less horsepower, resulting in less fuel consumption and longer belt life.
- Improved cut quality and better disbursement of cut material.
- Double-edged blades can be rotated between spindles for longer blade life.
- Fast and easy installation - the deck is pre-drilled for fast, easy kit attachment.
- Kit includes all components for conversion to counter rotating right spindle.
- Can be used with deck wing extension kit.

Series		p/n	Retail
TRX	766 models	2500804	\$599.00

Spindle Guard Kit

The spindle guard kit protects the mower deck spindles and helps prevent debris from wrapping around the spindles. Available for TSX and TRX HV All-Terrain deck mowers. One kit is needed for each deck.

Series		p/n	Retail
